FORMAL STATEMENT OF MEETING
<p>This document records a project review meeting held by the development team, intended to record reviews mentioned herein. The meeting was convened to focus on ensuring that the project's progress was thoroughly documented. The primary focus of this meeting was to write and organize the test cases into a cohesive document, which would serve as a critical reference for future development and testing phases. In addition to the test cases, the team worked on completing all remaining documentation tasks, aiming to create a comprehensive and detailed account of the project's current state. By the end of the meeting, the team had successfully aligned on the finalization of these documents, ensuring that all essential information was recorded and accessible.</p>
