FORMAL STATEMENT OF MEETING
This document records a project review meeting held by the development team, intended to record reviews mentioned herein. The meeting was convened to discuss several pivotal changes concerning the "Solicitud" feature within the project. It was decided to move "Solicitud" to "Solicitud," and the team agreed to add both status and quotation functionalities to this feature. Additionally, the implementation of a "Get all solis" function, along with the ability to retrieve "solis" based on user profiles, was a key focus. The discussion also covered the development of a POST method for "solis." The meeting concluded with a clear understanding among the team members regarding the necessary adjustments and the next steps to integrate these features effectively.
